

Northiam Dental Practice Plans

We also offer a more comprehensive plan starting at £28.20 per month which covers all your treatment needs: including routine exams, radiographs, hygiene visits, fillings and root canal treatments. The only extra you would have to pay is any lab fees incurred e.g. crowns, dentures, bridges etc. Ask our team for more details. All plans include worldwide accident and emergency insurance.

The insurance includes cover for emergency treatment worldwide and in the UK, treatment arising from an accident, hospital in-patient cash benefit and £3,000 lump sum for oral cancer.

About us

Beckley (now Northiam) Dental Practice was established in July 2005 and we have built up a large and loyal patient base. We love working in the heart of Northiam village as it offers tranquil and relaxing surroundings.

Our practice has been recognised as a member of the British Dental Association's Good Practice Scheme for the last 15 years. This means we are committed to a standard of good practice set by our professional association.
